PVC Flooring

Lullaby Series Vinyl Flooring is specially made for kids. It is with good sound absorbing ability and excellent stain resistance. The highly elastic PVC foaming layer provides comfortable walking experience. We consider more for the kids and family. Lullaby Series Vinyl Flooring is totally green with no formaldehyde and other chemicals. We offer fabulous design to make play and study area in a different way . With the 2013 New Collection Lullaby series, welcome to our secrete wonderland.

Technical Data

Total Thickness	2.0mm	2.6mm	3.0mm
Roll Width	2.0m	2.0m	2.0m
Toll Length	20m	20m	20m
Thickness of Wear Layer	0.4mm	0.5mm	0.7mm

Safety Criteria	Standard	Value
Flammability	EN 13501-1	Bf1
Slip Resistance	EN 51130	R9
Dynamic Coefficient	EN 13893	DS
Sound Insulation	EN ISO 717/2	≥ 20dB
Chemicals Resistance	EN 423	Good

Performance	Standard	Value
Wear Resistance	EN 649	T Level
Residual Indentation	EN 433	0.04mm
Castor Wheel Test	EN 425	Suitable
Color Fastness	ISO 105-BO2	≥6
Dimensional Stability	EN 434	≤0.04%
Antistatic Property	EN 1815	2.0KV
Thermal Resistance	EN 12667	<0.17m²K/W
Thermal Conductivity	EN 12524	0.25W/MK
